

Hold On To Hope

You gave me words of encouragement
Strength to fight

Hold on to Hope

You lifted my spirit
With your kindness

Hold on to Hope

You let me cry when I needed to.
You gave me a reason to smile

Hold on to Hope

You were my tower of courage
Which I could draw from

So I give you words to
Go forth with in your life

The four words you gave to me
which meant the world to me.

Hold on to Hope!!!
