

Carol Carberry, DVM, Diplomate, ACVS

Dr. Carberry received her veterinary degree at Cornell University. She completed an internship in general medicine and surgery at Oradell Animal Hospital and then a surgical residency at Cornell University. She is board certified by the American College of Veterinary Surgeons. Her special interests include soft tissue surgery, orthopedics and neurosurgery. She has been at Oradell since 1987.

Her spare time is spent mostly outdoors, where she cycles, runs and canoes.
