

**New Milford Public Schools
New Milford, NJ. 07646**

Dear Parent/Guardian:

The New Milford Board of Education requires that all students in the **9th Grade** have a complete physical examination. This should be done by your child's personal physician. **In the event that you do not have medical insurance coverage, arrangements can be made for the school physician to perform the exam in his office.**

All parents must complete and sign the **front, top section (health history)** of the attached physical form and have the doctor fill in the immunization section and physical section on the back of the form. If a physical by the school physician is needed, please call the school nurse at 201-262-0172 X 2002 for the information to contact the School Doctor.

Please complete and return the bottom portion of this letter by **11-05-08**. If this form is not returned on time, you may lose the opportunity to schedule an appointment with the school physician.

New Milford School Board Policy calls for the exclusion of students not meeting this health regulation until such time that a physical certificate is received from the family physician. **The deadline for physicals is February 27, 2009.** Please call the health office and let me know if you have a problem scheduling an appointment with your doctor.

Please note if your child had a recent sport's physical for this year, that physical does fulfill this requirement and disregard this request.
