The New Milford High School Musical Theater Boosters would like to welcome all of the families of New Milford High School to become involved in musical theater. We have a very rich tradition of musical theater at New Milford High School. We have garnered dozens of nominations for excellence in high school theater from local regional theaters. We are proud that the experiences of our students on stage and back stage have led many to continue their involvement in theater in college and beyond.

The Musical Theater Boosters conducts fundraising to assist with the financial support that our shows require. We help with set building and our infamous Drama Mamas help sew costumes. We have also had parents with connections to the professional theater help with sound and lighting. We welcome anyone interested in helping.

Our dues are \$10 per family per year. We appreciate your support of Musical Theater at NMHS. Thanks for your continuing support and don't forget to come see our show in March.
