Dear Parents,

I am looking forward to another exciting and creative year at NMHS. The art department is a place that your child can come to express themselves visually. Please support and influence your child, at whatever skill level they may be at, to work to their ability. Also, feel free to contact me at any point referring to your son/daughter's progress, behavior, or if you have any other questions or concerns. Please encourage your child to come for extra help if necessary.

Sincerely,

Lauren Bettini
