The New Milford School District is excited to once again offer opportunities for the youngest members of our community to participate in a rich, child-centered learning environment that fosters academic and social growth for all learners. We invite parents of preschool-aged children to apply for a spot in our Over the Moon Integrated Preschool classes.

The Over the Moon Program is a way to serve all learners in an inclusive environment. Inclusive programs celebrate children's similarities as well as their different abilities and cultures. Long-term studies of inclusive opportunities have shown to have benefits for both typical and neurodiverse learners. We are excited that Over the Moon will also be offered at Berkley Street School in September 2022. All Over the Moon classes are half-day with morning and afternoon sessions offered (AM- 9:00-11:30 and PM- 12:30-3:00). Classes are chosen through a lottery system. Children will be assigned to both a time spot and location through this lottery. Children who are not chosen through the lottery will be placed on a waitlist and will be contacted if a spot becomes available.

Parents wishing to apply for a spot in the program need to submit the application and a \$50 non-refundable deposit by February 1, 2022.

When submitting your application, please keep in mind the following guidelines.

- ★ Yearly tuition will be \$2,850.00 and three payment plans are offered (Full Payment, Bi-Yearly Payments, Monthly Payments).
- ★ Children must be potty-trained to participate in the program.
- ★ Parents are responsible for providing transportation to and from the program.
- ★ There is no after-care for preschool students.

Very Truly Yours,

Whitney Bennett-Perro, Ed.D.
