NEW MILFORD PUBLIC SCHOOLS

New Milford Public Schools, a growth-oriented, progressive district, has the following anticipated opening for the 2021-2022 school year:

Special Ed Teacher

The Department of Special Services is looking for a dynamic teacher for our IBC program that services students with Autism. Candidates must have experience working with second and third grade learners. Candidates should have strong communication skills for working with families and instructional assistants. Looking for someone who is creative, energetic and willing to work on a team. Knowledge of ABA methodology, behavior management, and data collection is a plus. Special education teaching certificate required.

The following experiences are an integral part of the position:

- Experience with ABA methodology
- Use of AAC devices and effective integration of technology
- Working with BCBA regarding student behavioral challenges
- Communicate effectively with parents about progress and home support
- Teach students with special needs using a various methods and materials
- Provide a learning environment using best practices for students with ASD
- Model academic and social expectations
- Collect and analyze data gathered from various developmentally appropriate sources and use the data to determine appropriate instructional programs
- Attend IEP meetings along with department and school-based meetings
- Communicate with and obtain feedback from students in a manner that enhances student learning and understanding
- Comprehend the principles of childhood growth, development, and learning and apply them appropriately
- Manage the educational setting in a manner that promotes positive student behavior and a safe and healthy environment
- Recognize student diversity and create an atmosphere conducive to the promotion of positive student involvement and self-concept
- Demonstrate a willingness to examine and implement change as appropriate
- Work productively with colleagues, parents, and community members

Please send letter of interest and resume to:
